

Advanced Marksmanship Clinic

Advanced rifle shooting skills for PGC members and family.

Objectives: Improve upon your existing knowledge and skills for shooting a rifle at 200 yards and beyond.

Prerequisites: Written (email) approval from the course instructor.

Class Length: Two (2) days, classroom and hands-on shooting.

Maximum Class Size: 8 students

Equipment Needed:

- Suitable rifle with optics mounted and zeroed.
- One hundred (100) rounds of match-grade or custom hand-loaded ammunition.
- Personal eye and ear protection.
- Please plan to bring water plus snacks or lunch.

A working knowledge of your firearm and safe range practices is required.

Prior completion of the NRA Basic Rifle Course is highly recommended, but not mandatory.
