

High Power Match Report

AUGUST 2024

I want to thank all the shooters who came to PGC this month to shoot our rifle match. Steve Paci won the match with a score of 785-29X. Our next match will be September 28, 2024, and will be a CMP 800 agg rifle match. If any club members are interested in learning high-power shooting, please contact me and shoot the September match and I can help arrange for any equipment you might need. You will need 100 rounds of 223 ammo and a rifle, or I am happy to loan my spare rifle to you. We would like to grow this event and with the membership we have I am sure we have some members who would enjoy this sport. Please drop me an email if interested.

Camp Perry Update:

Every year the CMP holds the National Rifle Championships at Camp Perry Ohio. This year James Wells, Brian Kirby and myself attend the event from PGC. We shot the individual matches as well as the 4-man team as Palmetto Gun Club Team. We did well shooting a team score of 1861-35X out of a possible score of 2000 points. This placed us in 38 out of 59 teams.
