

## SC State Championship High Power Rifle Match

Saturday November 13, 2021, 14 shooters from GA, VA and SC made it to our range to participate in the SC State HP Rifle Match. The course of fire was 20 shots in each of the following positions, 200 yds Standing, 200 yds rapid fire sitting, 300 yds rapid fire prone and 600 yds slow fire prone. All but two shooters shot in the service rifle class.

The match overall winner and state of SC champion is **Mr. Tom McManus** from Fair Play SC who took the title of SC Champion with a total score of **775-17X** out of 800 points.

Additionally, we also had some very high service rifle scores and awarded CMP State Championship Medals for the following shooters: gold to **Daniel Duitsman - 772-23X**, Silver to **Joshua Kent 769-26X** and Bronze to **Steven Paci - 768-20X**.

I want to also thank Scott Johnson of the Palmetto State Marksman Association for co-sponsoring the match with the Palmetto Gun Club. Without Scott's guidance and support the match would have been much more difficult to take on.

Our next HP match is scheduled for February 26, 2022. We will not be holding a 2022 January match due to a work conflict I have.
