

PGC February 2021

High-Power Rifle Match Report

The weather was great as we had 8 shooters for our monthly match. The new target system is working great and the rifle line work to allow for full distance shooting at 200, 300 and 600 yds is outstanding. We all wish to give the work crews a very big THANK YOU !!!! for a job well done.

'PGC Member' James Wells was the overall match winner this month with a score of 750-17X, full results below.

Our next match will be a CMP certified 80 round match on March 27th, 2021

Best Regards,

Bob Wills
