

High Power Match Report

FEBRUARY 2025

The February match results are listed below. The February event ends the winter **club series** of matches for 2025.

The following matches will be CMP or NRA approved moving forward: March, April, May, June, 'No July match due to the Camp Perry National Matches', August, September, and October.

The October match will be a two day event 'Sat and Sun'. As in past years we host the State of SC HP Match a two day match event with the EIC on Sunday.
