

PGC High Power Rifle Match

January 2020

Bob Wills – Match Director

It was a small turnout but a good day for shooting. Our next match is February 22, 2020 starting at 09:30 hrs. This will be a 200 yd 80 shot NRA Approved Match. Our match fees will be \$15.00 for PGC Members and \$25.00 for non-members.

Just as any FYI I am pleased to let you all know that we have ordered our KTS electronic targets which will give us full distance shooting, 200, 300 and 600yds. No pit duty and with 7 targets we have a capacity of 35 shooters. Look for this system to go into full use in May 2020.

As you can see, we had a great shoot – out!!! Brian and James had only an X count separating them. With Scott and Darrel keeping the competition running hard to the end. Thanks for coming out and enjoying the club.

See you all in February,
