Thanks for all who came out to shoot despite the very hot weather. We shot the CMP National Match Course. It was also Henry Augustine birthday "Happy Birthday Henry". We all enjoy your company and look forward to many more years of shooting with you.

Our next match will be scheduled for August 28th and is the last practice you will get before the State of SC HP match. The state match is a two-day match starting with an CMP EIC match on Friday September 24th and shooting on Saturday September 25 shooting the Regional Match Course 80 shot match. We will also have a cookout Saturday afternoon for all shooters. If interested in shooting the State Match please send me an email at bob308nm@gmail.com so I can save you a spot.

Note: Range limit is 28 shooters each day and for the EIC we need a full match to give out as many CMP EIC points and awards as possible. Please shoot its just a 50 shot match. We will get any member interested up to speed during our August match.
