Guys thanks for coming out and shooting with us.

The scores are just outstanding with Brian, Scott, Steven, Darrel and James all in the running.

We look forward to seeing you next month as the next match will be June 22, 2024, and will be an 80 shot match.

If you are a PGC member and would like to give NRA / CMP High Power shooting a try, give me a call and I will walk you through the process. All you need to give this a try is 100 rounds of 223 ammo and I can help you with an AR-15 for the day, coat and shooting gear for the day. It's a lot of fun.

Safe Shooting
